3rd Annual MRO "Ride From The Rock" benefiting MRO!

At sunrise, on September 29th, Motor Racing Outreach (MRO) Chaplain Nick Terry, past riders Jamie Turski, Tire Specialist Stewart Haas Racing, and Rob Lopes, Tire Specialist Roush Fenway Racing, along with several new riders from the NASCAR community will depart the historic and beloved Rockingham Speedway with the goal of "biking" 170 miles in one day and concluding in Surf City, NC.

The mission is to raise awareness and financial support for MRO at track and at home racing community services.

The previous two "Rides From The Rock" have raised over \$61,000.00 for MRO and various other charities.

"MRO has been an extraordinary and significant part of my life for twenty-one years. I know firsthand the importance of the ministry of MRO, as they invested in my life personally before I became a part of their team. The Ride From the Rock is my opportunity to bring folks together to help raise support for this special organization. Those supporting the MRO Ride From the Rock allow the MRO team the opportunity to care for people in the racing community. Thanks to all who support this event and for the cycling team that continues to grow each year." ~ MRO Chaplain Nick Terry
